

SULP - MAINSTREAM CLASSES (SULP-MC)

PRICES

MC1 SET 1: Social Communication & Memory £65

MC2 SET2: You £69

MC3 SET 3: Tricky Situations £69

MC4 SET4: Getting On £65

Please note that I recommend using Set 1 before Sets 3 or 4 as the skills covered in Set 1 provide a foundation on which to build in Sets 3 and 4.

Please note that SULP-MC on its own is not suitable for children with special needs, even those in a mainstream setting. It is written for children who do not have special needs to develop their social understanding and emotional wellbeing; it additionally prepares pupils for later years and this is why it is particularly useful as a classroom resource at KS2. All the activities have been written for use with small or large class groups. For children with special needs it should be used in conjunction with the SULP juniors as then it will provide valuable reinforcement alongside their mainstream peers.
